

BAP Constructions Pvt Ltd.

18th December, 2008.

TO WHOMSOEVER IT MAY CONCERN

I, Bijoy Jain, an Architect and Director of M/s BAP constructions Pvt. Ltd. , would like to wholeheartedly recommend the use of products from the OSOLIN RESEARCH LABORATORIES, Bangalore.

I specialise in building with environmentally friendly and natural materials. Most of my buildings are built with wood.

In all cases for the past ten years of my practice I have used Osolin-AT(CT) and Osolin-AT(WT) products from OSOLIN RESEARCH LABORATORIES for termite treatment of wood and soil treatment

Thanking you,

For BAP Constructions Pvt. Ltd.,

Director
