From Nature's Nest to Human Welfare

bugzac-d9

PREVENTION OF DANGEROUS PEST TO MANKIND IS ONE STEP TO NATIONAL RECONSTRUCTION

Our age of Chemical warfare has seen the emergence of many insecticide compounds to kill insects. These insecticides are not capable of protecting us but are also causing irremediable damage to human existence & our ecology.

Bugsac-d9 is invented by Dr. C.N. Sastry after 13 years of dedicated Research over 5000 food and medicinal oriented herbs and is devised to eradicate Cockroaches, Bugs, Flies & other insects instantaneously.

A New Golden leaf in the marvels of Ayurvedic Herbs for the prevention of Harmful Insects and at the same time Harmless to Human Beings and Pets.

We are the exclusive manufacturers and our products are 'PROPRIETARY' coming under the 'Ayurvedic study and Research of natural forest resources' basically Economical & Effective.

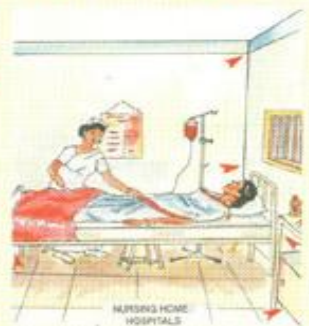

Bugsac-d9 is a ready to use herbal Non-poisonous, Non-Toxic, Eco-friendly Insect-control.
